SUBCOMMITTEE RELEASES MAJORITY STAFF REPORT:

Mystery at Manas:

Strategic Blind Spots in the Department of Defense's Fuel Contracts in Kyrgyzstan

On Tuesday December 21, 2010, the Subcommittee on National Security and Foreign Affairs released a Majority staff report titled, *Mystery at Manas: Strategic Blind Spots in the Department of Defense's Fuel Contracts in Kyrgyzstan.*

The report culminates an eight-month investigation into the Department of Defense's multi-billion dollar aviation fuel contracts at the Manas Transit Center in Kyrgyzstan.

The report is available here.
