"Iraq: IEDs and Munitions, Are They Secured?"

On March 22, 2007, the Subcommittee on National Security and Foreign Affairs conducted an oversight hearing to explore conventional munition storage sites in Iraq and whether the Department of Defense has taken appropriate action with respect to identifying and securing them. This hearing focused on a GAO report issued around the hearing.

WITNESS LIST:

- Ms. Davi D'Agostino, Director, Defense Capabilities and Management, GAO
- Lieutenant General Gregory S. Newbold, U.S. Marine Corps (Ret.)
