Chairman Waxman writes to federal agencies requesting documents about their involvement in White House “asset deployment” meetings held to discuss the use of federal resources to promote the reelection of President Bush and Republicans in Congress.

Agencies receiving this request: Departments of Justice, Education, Energy, Health and Human Services, Homeland Security, Housing and Urban Development, Interior, Justice, Treasury, Veterans Affairs, Labor, State, Agriculture, Commerce, Transportation, Environmental Protection Agency, Small Business Administration, General Services Administration, United States Agency for International Development, and the Office of National Drug Control Policy.
