Kucinich Subcommittee to Examine the Current State of Neuroscience Research

Washington D.C. (September 22, 2010) -- Chairman Dennis Kucinich (D-OH) today announced a Domestic Policy Subcommittee hearing entitled “From Molecules to Minds: The Future of Neuroscience Research and Development.” The hearing will be held at **2:00 p.m.** on **Wednesday, September 29, 2010**
in
room 2203 Rayburn House Office Building.

The hearing will address the current state of neuroscience research, including efforts to expand knowledge and treatments to help individuals afflicted with neurologic and mental health disorders, including veterans and military personnel. It will also assess collaborations between and among relevant entities, including federal government agencies, private foundations, industry and academia.

The hearing will be webcast live at domesticpolicy.oversight.house.gov.
