On January 15 and February 13, the committee will hold hearings to obtain additional information regarding the *Report to the Commissioner of Baseball of an Independent Investigation into the Illegal use of Steroids and Other Performance Enhancing Substances by Players in Major League Baseball* , commonly known as the "Mitchell Report."

The first hearing will include testimony from Senator George Mitchell, Mr. Bud Selig, and Mr. Don Fehr. Invited witnesses for the second hearing include Mr. Brian McNamee, Mr. Kirk Radomski, Mr. Andy Pettitte, Mr. Chuck Knoblauch, and Mr. Roger Clemens.

The second hearing was previously scheduled for January 16. Chairman Henry A. Waxman and Ranking Minority Member Tom Davis released the following joint statement regarding the postponement:

"The Oversight Committee will postpone the hearing until February 13, 2008, which is after the sentencing of Kirk Radomski. The witnesses to be invited to the rescheduled hearing are Brian McNamee, Kirk Radomski, Andy Pettitte, Chuck Knoblauch, and Roger Clemens. In preparation for the hearing, we will ask each witness to provide the Committee with a deposition. Postponing the hearing will provide additional time to coordinate the Committee's investigation with the Justice Department's ongoing efforts."
