

The House Oversight and Government Reform Committee will hold a hearing on Tuesday, September 29, 2009, to examine the Obama Administration's H1N1 flu vaccine program, including related health and safety issues, and how the U.S. might address pandemic flu vaccine matters in the future. The hearing titled, "The Administration's Flu Vaccine Program: Health, Safety, and Distribution" will begin at 2:00 p.m. in room 2154 Rayburn House Office Building.

The hearing will feature testimony from:

Dr. Thomas R. Frieden
Director
Centers for Disease Control and Prevention

Dr. Anthony S. Fauci
Director
National Institute of Allergy and Infectious Diseases

Dr. Jesse Goodman
Deputy Commissioner
Food and Drug Administration
